**Hymn by Igor Egirev:*

1. Having shed Your light in the darkness
You have created a new day
Bowing Your face over the abyss
You have called the world to life
And the creation before You is frozen like a mirror
Reflecting in itself Your greatness

Chorus

Your face shines on the world around us
Created by loving hands It broadcasts day and night
You are the Creator of everything
Kneeling down before You, Father,
I will praise you
You created me as well
In humility before You
I bow before Your presence

2. The mind cannot not grasp
The depth and the height
Not being able to hold
The beauty of what You have created
Your hand holds the World
Your Creation breathes life
Everyone who seeks You will ever find you
